Web Designer
Jonms83@gmail.com

Front End Web Developer who absolutely loves jQuery and the flexibility it adds to websites. I've been getting my hands dirty in html since middle school. Now, a many years later I continue to do what I love. With very strong skills in HTML, CSS, and jQuery making sites look great is easy, and I love doing it.

Education: '11 - Associate of Applied Business degree in Information Technology with a concentration in Web Page Development and Maintenance
'06 - Associate of Applied Business degree in Visual Communication & Design with a concentration in Interactive Media
