Work History

RR Donnelley

Email & Digital Production/Manager

Sept '21 - current

Tech Production Specialist

Dec '11 - Sept '21

Hired & led team of 4 through onboarding & training. Mediated & resolved staff conflicts. Improved documentation of current clients & promoted cross training to shore up coverage. Designed & coded complex templates using Ampscript, DE's, & content block's that span usage over several business units. Developed emails & landing pages from PSD, XD, or figma. Provided email support in upwards of 30 desktop & mobile clients. Custom coded solutions for consistency & repetition with jQuery & Javascript.

Cleveland Clinic Lerner College of Medicine

Sept '06-Dec '11

Created & maintained CCLCM, GME DNN website. Continually produced designs for various student & faculty web applications. Integrated some entry-level self-taught PHP coding. In depth knowledge of HTML, CSS & jQuery. Various & intensive pdf alterations, amateur photography, creating icons, graphic, layouts, & workflows. Collaborated with backend programmers to integrate designs within .net code & functionality.
